- ABOUT IICSR

CERTIFIED ESG PRACTITIONER

COURSE BRIEF

The emphasis on sustainable development and focus on Environment, Social and Governance (ESG) has been increasing significantly over the past few years. The realization of ESG integration into business is of paramount importance to the investors globally. On the other hand, there is an equivalent market demand for ESG practitioners and the dearth of understanding of the concepts among the professionals. This specialized ESG practitioner course prepares you to build confidence and lead in integrating ESG in a company's business operations and also to transition from conventional management to ESG aspects towards ESG compliant companies and to make informed decisions in your ESG portfolio for investments.

Founded in 2010, the IICSR Group has established a distinguished legacy in sustainability education, biodiversity conservation, and women's empowerment initiatives. Its programs are accredited by the American Council of Training and Development (ACTD), the Management & Entrepreneurship and Professional Skills Council (MEPSC)—a sector skills council under the Ministry of Skill Development and Entrepreneurship, Government of India—and the European Association of Higher Education Advancement (EAHEA).

IICSR and Sustainability Knowledge Management Pvt. Ltd. stand today as a premier institution for capacity building, project advisory, implementation, and research in Responsible Business Leadership, with a focus on CSR, Sustainability, and ESG. With more than 5,000 mid- and senior-level executives trained across the APAC region, IICSR continues to advance rigorous, practice-oriented learning and high-impact sustainability outcomes. The institution maintains registered entities in both India and the United States, reflecting its expanding global footprint.
