International Institute for Corporate Sustainability and Responsibility (IICSR) Group established in 2010 is a training, research, and development institute dedicated to Responsible Business practices. We offer courses with International practitioners to develop the global workforce of trained professionals for Sustainable Development. The courses are delivered by online and offline modes coupled with working on research papers, live projects solving global problems for senior executives, for student offering internships, and placement assistance. Our trainers are leading practitioners based in India, Africa, Europe, the USA, and other countries. We are also among the first one's in India to curate 2 years full-time dual degree course in MBA in CSR.

MEPSC is a Sector Skill Council, committed to creating a technically and professionally competent workforce and industry professionals for both national and international. A huge percentage of Indian graduates are unemployable due to a lack of skills both technical and generic expected by employers. While a maximum of the applicants gets hired on the grounds of their technical skills and often get fired due to lack of generic skills. It is the set of Generic/ Behavioural/ Soft/ Employability Skills that creates diversity to the potency of the individual.
