INTERNATIONAL INSTITUTE FOR CORPORATE

CERTIFIED ESG PRACTITIONER

COURSE BRIEF

The emphasis on sustainable development and focus on Environment, Social and Governance (ESG) has been increasing significantly over the past few years. The realization of ESG integration into business is of paramount importance to the investors globally. On the other hand, there is an equivalent market demand for ESG practitioners and the dearth of understanding of the concepts among the professionals. This specialized ESG practitioner course prepares you to build confidence and lead in integrating ESG in a company's business operations and also to transition from conventional management to ESG aspects towards ESG compliant companies and to make informed decisions in your ESG portfolio for investments.
