National School Innovation Ranking Criteria

This transparent data-based framework honoured and celebrated the efforts put in by the school in nurturing Innovation mind set and skillset across the school and not just the performance of the students.

*Schools scoring the same percentage points in total were awarded in the same rank.

Ranking Criteria	Points
Percentage of student participation in the Innoventure Innovation Free Course across the school	10
Percentage of students completing the Innovation course	10
Percentage of students attempting Round 1	10
Percentage of students qualifying for Round 2	10
Overall student performance score	10
