FILMFARE BEST COSTUME DESIGN

Genelia and Kunal Kapoor offer accolades

OYE LUCKY LUCKY OYE

When the costumes blend in with the story and the sweaters worn by the sundry characters meld as seamlessly into the filmscape as the eye-popping garish shirts of the gangsters, you know the designers have done a superb job. The clothes and the look is so perfectly suburban Delhi, we can almost taste the winters in the city. Well done team *Oye Lucky!*
